WUMPUS." On the 8th instant Representative Morgan introduced to the House a preamble and resolution calling on the Postmaster General for all the facts and reports in his possession relating to the establishment and discontinuance of the postoffice at Grange Camp, Va. In the preamble Mr. Wedderburn is charged with defrauding the Government, and his paper, National Farm and Firends, is characterized as a circular. It is further alleged that but for the interposition of the Agricultural Department criminal proceedings would have been criminal proceedings would have been instituted against Mr. Wedderburn.

Yesterday General Lee, Representa-tive of the district in which Mr. Wed-dexburn lives, and in which Grange Camp is situated, introduced a pream-ble and resolution to the House. The

#### TORE DOWN THE FLAG.

An Insult for Which Salvador Made Humble Apology, Late on Friday afternoon the State Department received from Minister Mizner a telegram from La Libertad, saying that, during a battle to the city of San Salvador, the forces of the provisional govern-ment seized the Consulate in that city, hauled down the flag and damaged the property. The Department the same day instructed Mr. Mizner by telegraph to demand full reparation of Salvador,

consul, and to see that all rights of the United States and its citizens were observed.
The Department received word from Mr. Mixner informing it that the provisional government of Salvador had hoisted our flag over the United States Consulate on Monday, at the same time saluting it with twenty-one guns, and that the Consul had been reinstated in office and the rights of the United States and its citizens were guaranteed.

### THE MAN IN CONTROL.

His Delegates to the South Carolina Contention in the Majority. COLUMNIA, S. C., Aug. 13,-The Democratic State Convention met at noon to day, and was called to order by James A. Hoyt, chairman of the State

Democratic Executive Committee. The convention is called for the sole response of determining whether the nominating convention shall be chosen primary elections or by the county conventions. There are 320 delegates present, 261 of whom are Tillor anti-Tillmanites. Notwithstanding the fact that the convention was called for a specific purpose, the adherents of Tillman, finding themselves with such an overwhelming majority, seriously contem-plate the nomination of their candidate and full State ticket.

After calling the convention to order,

After calling the convention to order, Chairman Hoyt pamed J. L. Buist, a straightout, for temporary chairman of the convention. A Tillmanite delegate thereupon nominated W. J. Talbert, a leading Alliance man of Edgefield County as temporary chairman. Chairman Hoyt claimed that as the convention was not organized he had no power to entertain any motion whatever. The utmost confusion followed this an-nouncement. Pandemonium reigned for fully half an hour, and it looked as If the convention would break up in a row before it could be organized. Finally Chairman Hoyt decided to entertain the motion, and amid great confusion and the wild protests of the straightouts Talbert was declared elected temporary chairman. Temporary secretaries were then elected in the same manner and the roll call of delegates was proceeded with.

Probably Regrets Bls Haste, Alexander Campbell, who last night deliberately shot at a white man named James Collins because they had had some words, was committed to the grand jury for assault with Intent to kill. He was also fined \$25 for earrying concealed weapons.
